

LEVELS OF JURISDICTION **OR** **THE RULES OF THE GAME**

It is the game of “World Control”. It is a serious game and the stakes are the highest imaginable, because we stand to lose our Rights to “Life, Liberty and the Pursuit of Happiness”. In the 18th century, when the American Colonies were suffering at the hands of a despotic King, they knew what they were entitled to under English Common Law which has, as its foundation, the Charters of Liberty such as Magna Carta 1215, Petition of Right 1627, Habeas Corpus 1640 and the Bill of Rights 1688, and that “the glory of English law” (as Sir William Blackstone wrote) has always been Trial by Jury. For megalomaniacs to take over the world, they must first dispose of these icons which have indelibly confirmed the Order and the Rule of Law according to the Christian perspective. If we are going to defeat the Forces of Evil, we need to understand and hold to the Levels of Jurisdiction.

THE RULE OF LAW

“The supremacy of law. A feature attributed to the UK constitution by Professor Dicey (*Law of the Constitution*, 1885). It embodied three concepts: the absolute predominance of regular law, so that the government has no arbitrary authority over the citizen; the equal subjection of all (including officials) to the ordinary law administered by the ordinary courts; and the fact that the citizen’s personal freedoms are formulated and protected by the ordinary law rather than by abstract constitutional declarations.”
(Oxford Reference, A Dictionary of Law, Oxford University Press)

WHO IS THE LAW?

The Latin word, “iuris”, is translated into English as meaning “law, right, justice; law court; jurisdiction, authority”. In the movie, “The Verdict”, the actor, Paul Newman, stands in front of the Jury and says to them, “You are the law.”. A Jury is made up of 12 men and women who are the equals of the men and women who are the plaintiffs and defendants in a court action, and have been brought together to judge the laws and the facts presented to them.

IT’S ALL A QUESTION OF SOVEREIGNTY

Sovereignty is the ultimate authority to make and impose laws.

WHO HAS SOVEREIGNTY OVER WHOM AND WHAT?

That is to say, WHO rules? In a THEOCRACY, GOD rules. In a DEMOCRACY, People rule. In a BUREACRACY, officials rule. And, it's all a matter of seniority or, in other words, superiority in standing.

AT Level One: GOD over Man:-

GOD created Man. GOD is superior to Man, ie: to a natural person.

AT Level Two: Man over Parliament:-

Man created Parliament. Man is superior to Parliament, ie: to an artificial person

AT Level Three: Parliament over Corporations:-

Parliament creates Corporations. Parliament is superior to Corporations, ie: to artificial persons

AT Level Four: Corporations over nothing:-

Corporations create nothing. Corporations are superior to nothing and inferior to everything.

In brief, and using the symbol, ">", to denote "is superior to", we have:-

GOD > Man > Parliament > Corporations.

Definitions:-

- (i) natural = product of nature; not man-made or artificial.
- (ii) artificial = made by human skill or labour; not natural.
- (iii) Natural Law = law based on the natural tendency of human beings to exercise right reason in dealing with others. Natural law precedes and is regarded as the basis of common law.

Comments:-

- (i) Even Judges recognize the application of SUPERIORITY, eg: in the functioning of the Court System Superior Courts have the jurisdiction/ power to overrule Inferior Courts.
- (ii) Parliaments create the Courts and Judges, which leaves:- **Man > Judges.**

- (iii) A Man cannot sit in judgment of another Man, but GOD has made provision for a congregation, ie: a Jury, to do so.
- (iv) A Man, being a natural person, cannot be a Corporation, ie: an artificial person. Therefore, Judges can never be “≥ Man” and to allow Judges to judge a Man, because that would be incompatible with the sequence of SUPERIORITY.
- (v) “Hominum caus jus constitum est” - a legal maxim translates to “Law is established for the benefit of man”. This is the prime objective of the Law.
- (vi) Another legal maxim says, “Nemo admittendis est inhabilitare seipsum” which translates to “No one is allowed to incapacitate himself”. Therefore, a Man (ie: a natural person) cannot be an artificial person, which would incapacitate him and deny him of his Right, as a Freeman, to Trial by Jury.
- (vii) Still more legal maxims say such things as, “When laws imposed by the State fail, we must act by the Law of Nature”, “The Law punishes falsehood”, “The more common the evil, the worse”, “The greatest enemies to Peace are force and wrong”,.....and, of course, “**Rights never die**”.
- (viii) Magna Carta put it correctly by saying “No Freeman shall be.... unless by the legal judgment of his own equals indeed the law of the land.”
- (ix) So, when a Man goes into a court and the Magistrate or Judge tries to make out that he has jurisdiction over you, you tell him, “***You are at Level Three in the ‘pecking order’. I am at Level Two. I have jurisdiction over you – not you over me. I have the inalienable Right to Trial by Jury - and, if I don’t want to avail myself of a Jury, I’ll give my consent to that effect. Until then, do not exceed your jurisdiction.***”

THE LEVELS OF JURISDICTION/SOVEREIGNTY ARE:-

1. GOD or **THEOCRACY** where GOD rules.
2. MAN or **DEMOCRACY** where People rule.
3. PARLIAMENT or **BUREAUCRACY** where Officials rule.
4. CORPORATIONS where these entities rule nothing.

THE NEW WORLD ORDER:-

So that the World may be ruled by Officials, it is necessary to eliminate Levels 1 and 2 in the psyche of Man, with orchestrated, insidious and determined programs of propaganda and prohibition. The “evil counsellors, judges and ministers”, described in the Bill of Rights 1688, are once again systematically undermining and eliminating the laws and the liberties of the People.

The Media and the Schools are playing their parts in these programs of disinformation and mischief to mislead us and our children by devaluing morals and crushing our ability to be free and sovereign human beings.

In the USA, many have been duped into surrendering Sovereignty to their elected representatives under the illusion of having a “Republic”, ie: they have been drawn into believing that Acts of Parliament overrule their own Common Law. In Courts, “evil counsellors and judges” reinforce this deception by proclaiming categorically that, “Statute Law overrules Common Law” in other words that, “Level 3 Law overrules Level 2 Law”.

Our Courts are where we must fight to protect and preserve our Rights. The “evil counsellors and judges” have no intention of honouring their Oaths of Office, which is to “well and truly serve” the Queen (ordained by Coronation) and to “do right to all manner of people”, but are totally embroiling in the Drive for a New World Order. It is their role to eliminate Level 1 and Level 2 Sovereignty and have themselves, as Level 3 persons, with power over us. By relegating People to Level 4 impotence, by invoking their Level 3 Admiralty/Commercial Law in our Courts, the legal piranhas wreak their destruction.

We must never forget that GOD has given us this Level 2 Jurisdiction....this gift of Service. If we deny this gift, or say that this gift is not important, we are actually insulting and disobeying GOD.

If we are going to love GOD and love our neighbours as ourselves, we have no choice but to fight the Forces of Evil because “***the only way for evil to triumph is that good men do nothing***” (Edmund Burke 1729 – 1797).
